The barkentine W H Dimond's cargo yesterday to San Francisco consisted of 125 tons ballast, 374 empty beer kegs and 45 empty barrels. There were 12 packages personal effects from H W Severance.

It is thought by President of the Board of Health Smith, that the people of Kahului are making preparations for a quarantine station and will allow the Claudine's passengers to land on the return of that steamer from Hawaii.

The steamer Mokoli'i arrived in port at four o'clock this morning from Kaunakakai, Molokai. Having no permit to enter, she was sent out to the channel and made to anchor in the roadstead until about eight o'clock. The Mokoli'i only touched at the Leper Settlement and brings mail from that place. She expects to leave again for the settlement on Monday next.

What better investment than a light office coat, these sweltering hot days. Cool, comfortable and cheap. McInerney.

During the preparations for celebrating the battle of Sedan, everything was done by the German authorities along the line of the frontier of France to avoid hostile meetings between French and Germans, and passing the frontier line was discouraged and not permitted at all in the case of large parties or bodies of men carrying insignia. The annual pilgrimage of the German Catholics from the Rhine province to Lourdes was forbidden, out of deference to French feelings.
